## 3.0 New Items

- **3.1** Minutes from the last SOT meeting on November 16th were approved.
- **3.2** Staffing- We have hired a 1:1 aide; she will be starting after Winter Break.
- **3.3** Budget- The 2023-2024 Budget is still not out, but we will hopefully have it by the 15th of this month. The two new drinking fountains have been installed. The new flagpole has been approved and will be installed over Winter Break. Landscaping was completed by CCSD recently. All of the security cameras in the school have been updated. No decisions have been made about putting a fence around the school garden beds. It was discussed that one solution would be to put a fence between the kinder playground and the garden. Administration is still working on getting a system (similar to a "Ring" doorbell), but they have still not received a bid. The school is still planning on getting the front windows wrapped; we are waiting for the design to be finished before we can take further action.
