4.0 General Discussion

4.1 Agenda Planning Items for Future Agendas-send 3 days before next meeting at this time

Questions were asked about what is being said on the news about how bad the budgets for 26-27 are and how it is affecting staffing. We were happy this

year that our numbers came in how they did. There are a lot of teachers who as of this point are going to surplus. With retirements and separations expected this year most teachers will find jobs. They are not hiring from out of the district at this time.
