3.0 New Items

3.1 The budget will come out Monday, September 21, 2021. As of this date, the school is still 5 students over; however, as a school, there should be no foreseen changes in staffing per the allocation from the last school year. Approval of the budget will be discussed on September 28, 2021.

3.2 SOT nominations are active now. Nomination forms will be emailed to all staff. The nomination period will close on Thursday, September 16th, 2021.

3.3 Securing a substitute teacher pool is a challenge at this point in the school year. We are looking for any community friends that might be interested in substitute teaching and/ or serving as classroom aids.
