

Supply List

Mrs. Kindred's 2nd-Grade Class
2023 - 2024

The Clark County School District provides necessary supplies for students in order to provide them with an optimal educational experience. However, we know that sometimes parents decide to buy some supplies for their children. **This year your child's teacher is asking for a donation of \$30 so teachers can purchase the necessary items your child will need for the entire school year.** This will include a year subscription to Scholastic News, notebooks, tissues, hand wipes, paper towels, pencils, glue, folders, and other supplies needed for the year.

If possible, please bring \$30 cash or check, made out to O'Roarke ES, with you to the Meet Your Teacher day in August.

The only supplies you will need to provide for your student are a backpack, lunchbox (if needed), headphones and a wireless mouse. Your child will need headphones and a wireless mouse to use in the classroom for the entire year. Headphones and mice will be kept in a bag that will be provided by the teacher. The headphones that work best are the type with a USB connection.

Thank you and I am looking forward to meeting all of you.
