## 1.0 Welcome and Roll Call

Members in attendance: Kody Barto, Tracee Dickey, Carmen Viana, Christina Andres, Patricia Hastings, Gayle Orvedal, Christine Newsome. Members not present: Char and Kevin Ekus.

## 2.0 Public Comment Period

No public comments at this time

## 3.0 New Items

- 3.1 Minutes from the last SOT meeting on March 21, 2022 were approved.
- 3.2 A new science curriculum will be starting for the 2022-2023 school year. It is called Amplify and it is a K-12 program that will be implemented district-wide.
- 3.3 The new atrium in the courtyard is almost complete and includes 2 tortoises.
- 3.4 We are at a point in time that we have a Chromebook for every student in the building. Some older Chromebooks will be replaced based on their working condition.

## 4.0 General Discussion

- 4.1 Two aide positions will be available for the 2022-2023 school year. One aide will be working in the new primary autism program and the other will be a floating aide that will fill in as needed and cover many g=students in varying grade levels.

- 4.2 Surplus is occurring at this time and it appears that there will be 2 teacher positions to fill for the 2022-2023 school year.

## **5.0 Public Comment Period:**

- 5.1 Questions in regards to the garden and funds that have been raised were discussed. Estimates for getting rid of the weeds permanently have been given to the school. We have a parent that is volunteering to trim the trees, plant in the planters, and help get rid of the rabbit problems in the gardening area. Goals for improving and enhancing the garden are in the works.
