3.2 2019-2020 Budget: Mr. Barto explained Class Size Reduction and what OES needs to do to be compliant prior to submitting the budget.

PTO will be upgrading the sound system in the MP room. Approximately \$2,000-\$2,500, we are waiting on quotes from the company.

3.3 School Performance Plan: Once MAP scores come in, SOT will work on the Plan.

School is proficient but we do not grow our top tier kids. There are currently 86 students in the gate program. Every 2nd grader will now be tested for the program. Admin and Ms. Gann will implement how testing all students will be possible. Differentiate instruction is important to increase growth percentile. Building stamina so our students are able to stay focused while test taking. Higher level groups getting pulled and doing extension exercises.

Absences. Currently 14% of our population has chronic absences. SOT discussed ways to deter students from being absent. Students set goals, sign a contract, provide extra incentives to attend school.
