

Supply List

Mrs. Kindred's Class 2021 - 2022

This year I have chosen to buy all of the supplies our students need to kick off the year right! This should save everyone some money and frustration at the stores right now. All I'm asking this year is that each student bring their own **HEADPHONES** to use with our computers and **BACKPACK/LUNCHBOX** if needed. Your student may also bring in a wireless mouse if they prefer. I am asking each family for a contribution of \$25.00 be brought to **OPEN HOUSE** or the first day of school. This will be used to provide supplies for the beginning of the year and to buy replacement items needed in classroom. I'm looking forward to working with all of you!

Our 2021-2022 will be a fantastic school year. **GO PRIDE!**

The Clark County School District provides necessary school supplies for all students in order to meet their educational needs. However, we know that sometimes families choose to purchase school supplies for their children. Should you decide to do this, the following items would be appropriate for your child's grade level.
