3.0 New Items

3.1 Minutes from the last SOT meeting on November 16, 2021 were approved.

3.2 540 student Chromebooks will be eventually replaced by the end of the school year. This is a process that will take some time as new Chromebooks become available and programmed for student use.

3.3 A new procedure for admitting students on a zone variance has been implemented from the district. Slots available for students for the 2022-2023 school year will be determined through new district requirements and procedures. Selection of students will be further addressed and shared at the end of the school year when finalized through Clark County School District.

4.0 General Discussion

4.1 Newscast materials for our school will now be overseen and screened for appropriate school content by a group of teachers and administrators for the start of the new calendar year.

4.2 School budget projections for the 2022-2023 will start to be reviewed during the next meeting. Unused funds from the 2021-2022 school year will be part of that discussion.

4.3 We have a new SOSA (Substitute on Special Assignment) as of December 2021. Jade Wilkinson has filled this position that was made available through the school district.
