3.0 New Items

- **3.1** Minutes from the last SOT meeting on January 25th were approved.
- **3.2** Budget- Budget for next year was submitted and approved. The security doorbell at the front entrance and outside of the 60’s pod (similar to a “ring” doorbell) has been installed and is up and running. We are still waiting for the words to be added to the window wraps; we will then be able to move ahead with this process.
- **3.3** Staffing- Transfer season has started. We will have to wait to see if staff changes, but our numbers allow us to keep all of our staff for the upcoming year. We are projected to have about 500 students next year.
- **3.4** Attendance- Our attendance incentive program is not necessarily having an impact on students coming to school. Our monthly absenteeism is about 15-19% each month. We do not have an issue with tardiness. Attendance is an issue nationwide.
- **3.5** School Performance Plan (SPP)- Students achieved 82% proficiency on the Winter MAP Growth Assessments. Most students are showing high growth. Grade levels will be meeting with one another this year to discuss needs and strengths of students and instruction.

4.0 General Discussion

- **4.1** Cell Phone Pouches- The district has purchased pouches for cell phones to be placed in during the day. Several ideas were discussed on how these could potentially be implemented, but no decision was made. They are to be implemented by next school year.
- **4.2** A standards based grading system was brought up (had been discussed at previous meetings). The decision has been made that it will not be adopted for the time being.
- **4.2** Agenda Planning: There are no new items to be added to future agendas.
