3.0 New Items

3.1 Minutes Minutes from the last SOT meeting on January 18, 2026 were approved.

3.2 Staffing Budget for SY 26-27. Projections are over what we currently have in grade levels so the plan is to be conservative with our planning. One extra teacher position will be added, 1 full time RBG3 will be added, our Special Education Facilitator will be full time next year

3.3 Budget The budget allows us to keep all teachers for the upcoming year. Currently may be able to hire a CTT next year if our numbers match projections.

3.4 SPP- MAPS performance was great for winter, projecting towards meeting ACT 2 growth goals for our SPP. 78% of students met personal growth goals for winter MAPS reading (goal was 70%), 90% of students grew in winter MAPS reading assessment--even if they didn't meet the growth goal number, they still showed individual growth.

Staff is continuing to be trained on LETRS. This training will continue the rest of this year and next year.

Teachers will continue to look at student performance on assessments and in classroom and will meet as a planning group to meet to discuss best practices for helping students.

Connectedness-Panorama survey was given in January. Data will be here at next meeting to see how students feel as a community at our school. School events are still a major focus to make sure students feel they belong and are excited to come to school and to build up our community.

New Smart Goal (under connectedness)-Training and identifying minor and major behavior incidents, teaching and reteaching PRIDE as school goals.
