3.0 New Items

- **3.1 Minutes** from the last SOT meeting on January 30, 2024 were approved.
- **3.2 Act 2 Status Check 2**
 - Area 1: increase students scoring above 40th percentile to 87th percentile and we got to 81% with a focus on writing. The school uses a spreadsheet to track writing scores each quarter to watch growth- both MAP testing and our writing prompts show that our students are making growth. Students that are not above the 40th %tile receives an intervention plan to help them grow
 - Area 2: Staff training for writing and conventions to help students meet the area 1 goal.
 - Area 3: Decrease the number of students who feel they need adult intervention to feel comfortable and positive about their learning. Our goal is to decrease this from 18% to 5%- Winter survey showed 27%- this is at risk
- **3.3 Other**
 - 16% chronic absenteeism so far this year- idea to share out more information about this (when students will be considered absent with tardies or early out)

- MAP testing- we have both high achievement and high growth (top of region one) Winter reading 81% of students were above the 40th percentile math 80% of students did the same.
- **3.4 School Performance Plan** was approved
