3.0 New Items

- **3.1** Meeting minutes from September 7th, 2023 were approved.
- **3.2** 2023-2024 staffing and budget are beyond the projections in a great way! We will have more funds than expected for the current school year. There are enough funds to hire a CTT and aide if we can find people who have at a minimum a substitute license. We currently do not have any applicants for those positions. The budget has not been approved as of today.

4.0 General Discussion

- **4.1** A new filtered water system will be installed into 2 areas of the school for students and staff to utilize. They will be installed into the teacher's lounge and multipurpose room.
- **4.2** The idea of a security camera system and security door were discussed again. This idea was discussed during the prior school year (2022-2023) but was postponed due to lack of funding and resources at that time. The idea will be discussed during the current school year.
- **4.3** Volunteer projects for Scout clubs that service area schools were discussed. Future project ideas are welcome to be discussed.
A continuation of working in the garden area will be looked into first as one of the ongoing projects.
- The next SOT meeting will be on October 19th, 2023.
