## 1.0 Welcome and Roll Call

Meeting called to order by Ms. Mammano at 4:01. All were in attendance. April minutes approved.

## 2.0 Public Comment Period

School Assistant Superintendent, Jefferey Hybarger, entered a comment. As a district representative he wanted to thank the OES SOT for their hard work and stakeholder sacrifice for volunteering to better OES and its community.

## 3.0 New Items

3.1 2018-2019 Staffing: due to the repeal of a grant that funded our literacy specialist, the program will be dissolved and Ms. Viana will be returning to first grade.

3.2 Chromebooks: Thanks to the overwhelming parental and community support with APEX, our school raised enough money to fund 50 new Chromebooks. This will allow fourth grade to become one to one in technology starting in 2018 fall semester.

3.3 Testing: SBAC and MATH for 3-5 Grades and Science for 5th grade only, will commence at the end of April and finish the first week of May.

3.4 2018-2019 Registration: Mr. Barto asks that we as a community reach out to fellow neighbors and community members to remind them to register now for the new school year.

3.5 2018-2019 School Events: Mr. Barto and Ms. Orvedal asked for a discussion on which programs we would like to have return. We discussed the success of

having Founder's Day celebration held on Thursday evening this last fall and encouraged a repeat of that schedule. Other events proposed to return will be: Literacy Night with Character Convention commencing throughout the school hallways and PODS, Science and Math nights, and our annual Volunteer Breakfast.

#### **4. General Discussion:**

4.1 2018-2019 Security Doors: Mr. Barto's research found the cost of installing security doors to break a point of access in the main hall, would be estimated at \$15,000. He also found a grant opportunity for the SOT team to explore to help fund the project. Ms. Dickey and Ms. Reed offered to co-write it. It was also discussed that PTO could be asked to help sponsor and Ms. Jarvis offered to attend their meeting to make the proposal.
