

Welcome Parents and Students! My name is Lorie Harris and I'm excited to be the School Counselor for O'Roarke Elementary School and to be part of this wonderful community! As a counselor, my primary responsibility is to promote the academic, personal, and social development of all students. I look forward to offering support to the students, staff, families and community.

As the Counselor, I have the privilege to work with every single student in the school. I plan on working with students through virtual classroom lessons, virtual small group sessions, as well as, through virtual short-term individual counseling sessions. I will also be meeting virtually with parents and staff. We can also call and email.

**\*\*Please Note - typically all information discussed is confidential between me and your child unless they are planning on hurting themselves, hurting someone else or someone is hurting them. However, in the virtual setting confidentiality is not a guarantee.**

I look forward to talking with you! Feel free to contact me using the information below. You'll also find many more resources on my Canvas Homepage.

Kindest Regards,  
Lorie Harris
