3.0 New Items

- **3.1** Meeting minutes from September 14th, 2023 were approved.
- **3.2** 2023-2024 Staffing- All positions at the school are filled. Class sizes are low, but expectations are high. The SOSA will be available as an aide if needed.
- **3.3** 2023-2024 Budget- The flagpole in front of the school is being replaced. Once it is installed, ONN will be arranging a flag raising ceremony. Lexia for ELL students that will be taking the WIDA assessment

has been purchased, and Ms. Viana is meeting with these students three times a week. We have discussed having a landscape crew clean up the school grounds (i.e. remove trees and repair sprinklers). We have received bids to wrap the windows in the front of the school. The idea was discussed, and we have decided to proceed with the project. • **3.4** SPP Act2 Check 1

- Inquiry 1: Our goal is to increase the percentage of students above the 40th percentile. The fall MAPS assessment showed that 81% of students are above 40th percentile. The school is doing a school wide incentive for students: students will know their projected score, and there are prizes for students who met this goal.
- Inquiry 2: Students are given six writing tasks a year that are used to track their growth. Teachers are focusing on writing and conventions as a student cannot pass SBAC without proficient writing.
- Inquiry 3: All students grades 3-5 take the Panorama survey. Lorie Harris talks to those students who indicate that they need help.
